

**Direct Rail Services**

- ◇ **Security System Upgrade**  
CCTV system upgrade
- ◇ **Depot Mains Supply Upgrade**  
Supply & installation of new mains supplies
- ◇ **Depot Lighting**  
Installation of additional external flood lighting and supplies

**Innovia Films**

- ◇ **R&D Backup Generator**  
Supply & Installation of cable, containment & distribution boards
- ◇ **OPP2 Direct Hire**  
Provision of Maintenance personnel
- ◇ **Periodic Electrical Testing**  
Regulatory test and inspection services

**Cabot Oils**

- ◇ **Tank Filling Control Panel**  
Design, supply, manufacture & commissioning of a dedicated P.L.C / SCADA controlled batching tank control panel. Regulatory test and inspection services

**Iggesund Paperboard**

- ◇ **Biomass Power-station**  
Power, Lighting and Commissioning activities
- ◇ **Board Machine Maintenance**  
Planned & Un-planned Electrical Routines
- ◇ **Decommission & Remediation**  
De-energise & strip out of BM1 electrical cable & equipment

**McVities**

- ◇ **Flood Recovery**  
Provision of control technicians
- ◇ **Oven Control Upgrade**  
Cabling and PLC programming in support of oven upgrade
- ◇ **Cooling Conveyer Control**  
Manufacture and installation of panels, PLC and SCADA equipment

**Robin Rigg Windfarm**

- ◇ **Offshore Power Supplies**  
Provision of small power outlets
- ◇ **Offshore Electrical Repairs**  
Sub-station & turbine remedial repairs and installation of electrical containment
- ◇ **Dockside works**  
Installation of dockside establishment small power and lighting

**Direct Rail Services**

- ◇ **Train Wash system**  
Supply and install electrical Supplies
- ◇ **Track-side Lighting**  
Provision and installation of flood lighting
- ◇ **Office Remodelling**  
Removing and relocation of office small power & lighting

**Sellafield**
